*Delivering* The Future Of Mobility Solutions

ELEVARE delivers the best residential, commercial and industrial vertical transportation solutions. We supply, install, maintain, repair and modernize the elevators & escalators nationwide.

ELEVARE has been quickly recognized as the market leader for elevator reliability. Customer satisfaction is our highest priority and our clients feedback testifies to this. We are dedicated to maintaining our 100% customer satisfaction rate and extensive experience in specialized elevators, including elevators for hospitals and nursing homes, elevators for shopping centers and public buildings through to vehicle elevators and more.

We are yet to find a project we cant handle, delivering the same personal service and attention to detail for smaller projects as we do for large scale complex projects.

# Services

ELEVARE's commitment to Service Excellence assures preventive maintenance programs for your elevators and escalators that will keep your equipment running safely and reliably.

Introducing our Exclusive Helpline 111-444-100, our team provides 24x7 response to emergency call backs and ensures no safety points are bypassed in order to minimize downtime and provide a better service experience. We are committed to making sure that the problem is fixed efficiently and right, the first time.

We provide a wide variety of services ranging from new installation, modernization, repair & maintenance.

Our expert technicians will take the time to speak to you and examine the unique specifications of the project to accurately scope, design and plan to deliver the best possible results. We'll ensure that the transition from design and planning to installation of a final product is seamless.

Installation

We can modernize any make or model of equipment with the very latest in technology. Choosing to modernize your elevator will provide greater reliability, comfort, efficiency, code compliance, and safety for your elevator passengers.

Modernization

ELEVARE will be your prompt and effective elevator repair partner. ELEVARE's customer care center is ready to take your call 24 hours a day 365 days a year, operated solely by those with elevator industry experience.

Repair

Maintenance Plans backed-up by ELEVARE are an investment in the performance and longevity of our system. An experienced elevator technician will actively seek out potential problems and perform ongoing repair work and upgrades during maintenance visits.

*Speed.*

*Innovation.*

*Freedom.*

We look to the future of mobility, and we go over and above to deliver the best products and services that have set us apart since our humble beginnings.

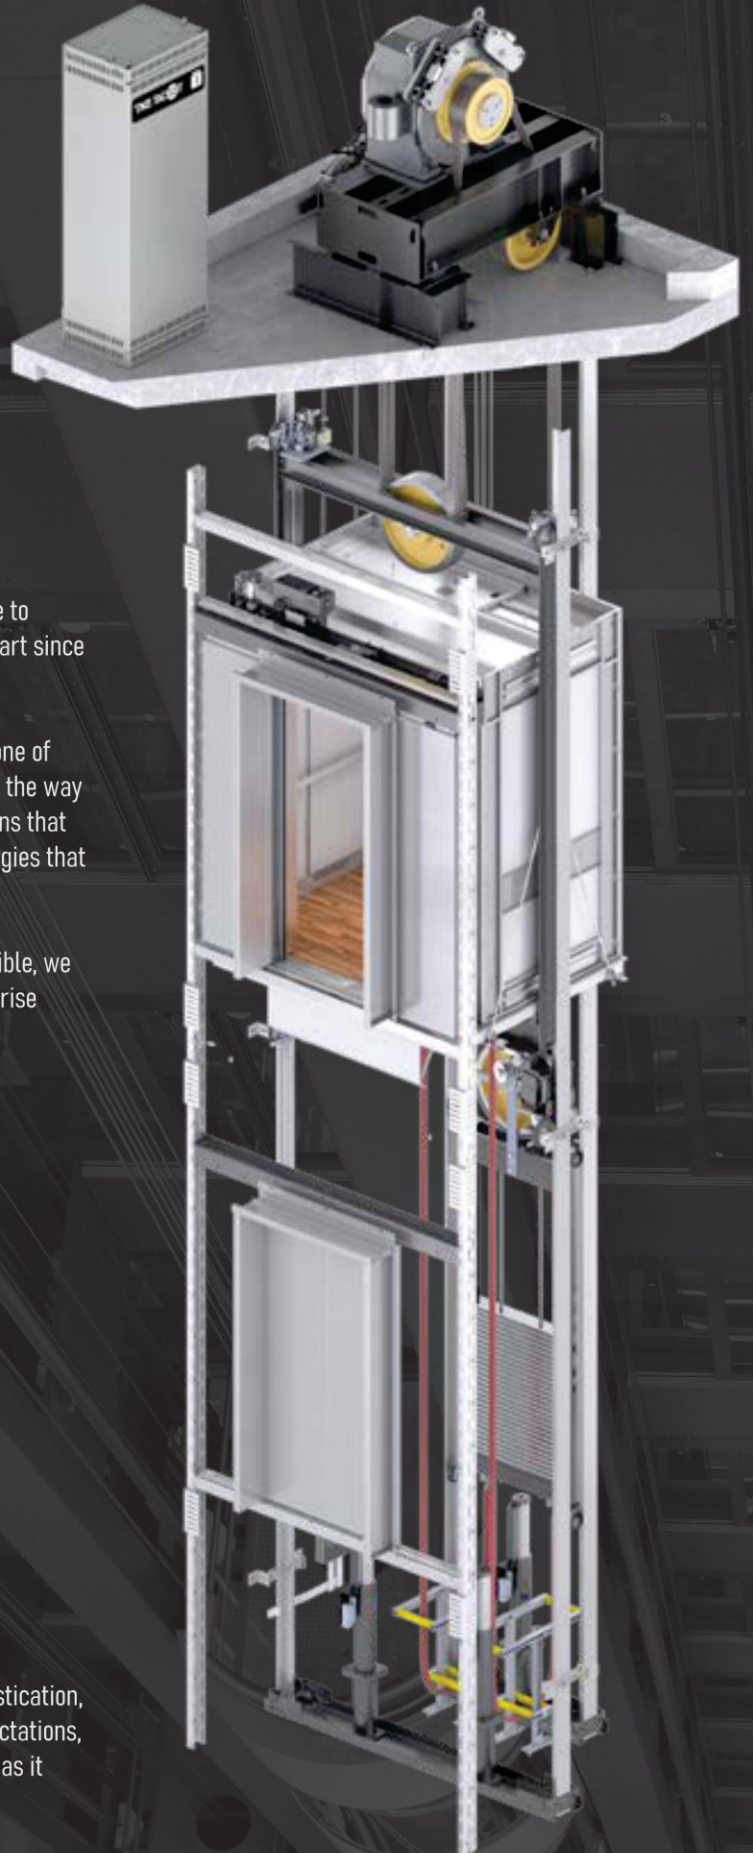

Over the past decades, ELEVARE has established itself as one of the world's leading elevator companies and we're showing the way forward - with services, products and cloud-based solutions that understand people's individual with the tools and technologies that move them.

To help customers move beyond what was previously possible, we introduce ELEVARE, our advanced, engineered mid to high-rise elevator.

Each year, high-rise buildings achieve new levels of sophistication, design & complexity. To match growing demands and expectations, you need an elevator that adapts to your vision as quickly as it moves passengers.

This is possible with ELEVARE.

Our most advanced elevator, combines cutting-edge technology with the creativity of ELEVARE's most experienced engineers. The result is a high-rise elevator that moves with precision and speed, while remaining energy-efficient, reliable and safe.

*Performance.*

*Aesthetics.*

*Safety.*

Combining fast performance, energy efficient features and an ultra-safe design, ELEVARE is the ideal elevator company for high-rise buildings.

With our stylish cab design options and the ability to use custom features, you can extend your building design into your elevator. Passengers will appreciate the stylish and comfortable cab combined with the smooth and quiet ride.
